GRAPHICS

## EXPERIENCE

### Graphic Design

• Currently running a graphic design business since 2019 till date. I work as a freelance designer.

### Web Development

• Developed my first website with WordPress, which is a graphic design portfolio.  
• [www.cubixgh.com](http://www.cubixgh.com).

• Also built a ticketing website that cinemas could use to sell tickets to customers using html, css and js.

### Vodafone

• Two months internship with Vodafone under the Human Resource Department. (Nov - Dec.2020).

• Worked as an Anti-Money Laundering Analyst in the Vodafone Cash Department (Feb – April.2021).

### GHOne TV - Graphic Design Intern

• Worked in the creative department for 2 months. Developed templates that were used to broadcast news, sports highlights and more. Also designed the backdrop currently being used for the Rythmz Covers show.

### Mobile App Development.

• Developed a mobile app ui in react native for footwear. The app allows users to purchase any type of footwear.

• Currently working on a music streaming application.

## EDUCATION

• Currently pursuing Bachelor of Information Technology at University of Ghana, Legon (2019)

### CERTIFICATES

• School leaving certificates both Basic and Secondary  
• Best Graphic Design Student (PRESEC)
